Now You're Cooking

Introducing Thermomix to Mount Barker

The product of more than 40 years of German design and innovation, Thermomix unites the functions of over 10 appliances in one compact unit. Thermomix will amaze you with its ability to **chop, beat, mix, whip, grind, knead, mince, grate, juice, blend, heat, stir, steam, and weigh food.**

With Thermomix you can prepare delicious foods in minutes – starters, main meals, desserts and more.....

**You'll be amazed at the time
and money you will save!**

I can come and show you and your friends how easy it is to make wholesome nutritious (and great tasting) food without preservatives!

**Would you like more information about
the TM31 Thermomix?**

**Please give me a call and I will be happy
to book you a Demo!**
